To whom it may concern

My name is Philip Hayden and I'm the Director of the Howard Fine Acting Studio Australia. The Howard Fine Acting Studio is one of Australia's leading privately operated actor training institutions. We are partnered with an award-winning institution in Los Angeles and have grown rapidly since launching in 2011.

I'm writing in support of Penny McDonald who has been a highly valued member of our faculty for six years. Penny is a leading expert and practitioner of the Alexander Technique who teaches with great skill, intellect and grace. Students consistently love working with Penny and the results of her work are obvious to all. Penny has been integral to the success of the Howard Fine Acting Studio and the students that have trained here.

We shall greatly miss having Penny as part of the Howard Fine Acting Studio faculty and would highly recommend her to any institution looking to engage her services. Penny is great to engage with on a personal level, extremely knowledgeable in her area of expertise and highly support of her colleagues, the students and administrative staff.

If you would like to discuss this letter further please don't hesitate to contact me on 0412 632 540.
